Home nursing visits

"My son wanted to begin playing organized soccer. I didn't know if it would be safe so I asked my BioRx representative. They immediately brought over several articles on playing sports with hemophilia. Most importantly they worked with our HTC nurse and our family to come up with a treatment plan that made sense for us. "

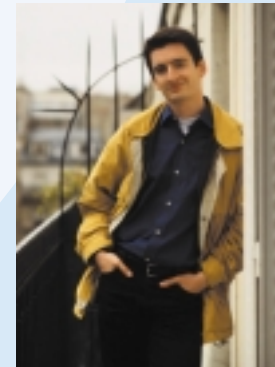

BioRx provides:

||||| Dedicated service staff who you will know by name, assigned to you and your family

||||| Experienced pharmacy and clinical staff dedicated to the hemophilia community

||||| Staff members who are members of the hemophilia community themselves

"As consumers we have a choice ... we chose BioRx because we trust them"

"There is a particular IV catheter that I really like using but couldn't get from my last provider. BioRx makes sure that they keep that item in stock for me... no questions asked!"

BioRx is a national pharmacy specializing in highly customized care for the bleeding disorders community
